MARIETTA DAILY LEADER

SATURDAY, JULY 11, 1908

PERSONAL AND LOCAL

—Mrs. W. M. Morris and daughter,
of Charleston, W. Va., are guests of
the family of Lee Williams, Front
street.

—A big reamer weighing 3300 pounds
was finished by the Leidecker Tool Co.
Friday and shipped to Tom Huling, in
the Ogden field.

—Mr. and Mrs. Wm. Hutchison, of
Orange City, Iowa, are visiting rela-
tives in this county.

—Mr. Charles Haas, of Lower Salem,
was a business visitor in the city Fri-
day.

—Intelligence received from Mt.
Clemens, Mich., in regard to the health
of Miss Jessie Morgan, is very disap-
pointing to that young lady's many
friends. Her condition is so critical
that little hope of her recovery is en-
tertained.

—The management of the ball club
are determined to turn a good sum of
money over to the Woman's Home as a
result of the proceeds from the game
Monday next. At the time the club
will be divided and each side will fill
up from the best town players and
make two strong nines and the game
will be fought from start to finish.
Today a number of small boys will so-
licit the sale of tickets, at 25 cents, to
the game and there should be liberal-
ity manifested on the part of those on
whom the young solicitors call. Let
the grand stand be filled Monday and
the bleachers crowded. The Woman's
Home is to get every cent of the pro-
ceeds with the exception of cost of
balls and advertising.

—Judge W. H. Leeper and Prof. M.
R. Andrews are home from Buffalo,
where they attended the meeting of
the National Educational Association.

—Attorney C. A. Ludey left last
night for Cincinnati to return home
with his wife, who has been spending
the past year at the Conservatory of
Music.

—Mr. R. A. Underwood, of Marietta,
representing the Vincent Oil and Gas
Co., was in Beverly Monday and ap-
peared before the Council to explain
and if possible secure the passage of
an ordinance to lay gas mains within the
city limits. The company have
valuable gas wells at Vincent and de-
sire to pipe it from that point to Beve-
ly, passing through the villages of
Barlow, Watertown and Watford.
The company is backed by capital suf-
ficient to carry out any agreement they
may contract. Our people are jubilant
over the idea of securing natural gas
so easily and the company will doubt-
less secure a large number of consumers
at this end of the line. It will cost
about \$25,000 to put down the line, and
as soon as the franchises are secured
the work will be pushed to speedy
completion.—Beverly Advance.

—The Bee Hive Store is closing out
at cost all their untrimmed hats and
flowers.

—Miss Fannie Dye and Miss Francis
Gear are spending a week with Mrs.
Leonard, at Pleasant Hill Farm.

—The First M. E. Sabbath School
will picnic at Blennerhassett Island on
Tuesday, July 14th, leaving on the
Steamer Sonoma at 8:30, from the Put-
nam street landing. All friends of the
school are cordially invited to accom-
pany the party.

—Mrs. Austin Morris, of near Coal
Run, went to Columbus four weeks ago
and had an operation performed on
her eyes by Dr. D. W. Collision. She
had been entirely blind for six years,
but has regained her eyesight since the
operation was performed and is now
able to attend to her household
duties.—Beverly Advance.

—The Rev. Mr. Williamson, of Ash-
tabula, has been in the city and county
several days this week. Mr. William-
son is pastor of the Second Congrega-
tional church at Ashtabula.

—On account of some who could not
enter the Business College this week
the time for the low rate has been ex-
tended till Monday.

—Married, at Centre Belpre, Thurs-
day evening, July 9th, by the Rev. A.
J. Williamson, of Ashtabula, Mr. James
Drain, of Corner, and Miss Maud E.
Tiffany, of Centre Belpre. Mr. Drain
is a prosperous farmer, highly respect-
ed, and the young lady is one of the
most accomplished young women in the
county, and a useful member to society.
The Leader extends congratulations.

—The smoker given last evening by
the Lobdell Cycling Club was one of
the most enjoyable of the many like
entertainments given by that organi-
zation.

—Architect Brown, of Cincinnati,
has submitted plans for the proposed
new Masonic Temple and everyone
who has viewed them is delighted
with their fitness and artistic concep-
tion. The plans are, of course, still
subject to the approval of the com-
mittee. The building, as designed,
will be five stories high, 200 feet long
and 90 feet in width. The first floor is
arranged for business rooms, the sec-
ond and third for offices and the fourth
for the use of the Masonic lodges of the
city. The estimated cost is \$75,000.

—If you want shirts, socks, suspend-
ers, underwear, towels, towelings, table
cloth goods or napkins it will pay you
to visit the Bee Hive.

Chicago, where he has been for several
days on a business trip.

—Mr. and Mrs. P. Schlieber, Jr.,
were at Parkersburg Friday.

—The police investigation spoken of
in Thursday's Leader, in which the
Marshal and Officer Knox were com-
pletely exonerated from blame in the
Roper saloon matter, will, we are in-
formed, be taken before Council next
Tuesday night by the West Side ladies
making the complaints.

—The Silver Star Fishing Club broke
camp Friday at Hayward, above
Waterford and most of the members ar-
rived home on the evening train.

—Mr. Geo. B. Sunderland sold the C.
Ryan property on Gilman Avenue to
Mrs. Almeda Curtis, of Amesville, O.

—The U. S. dredge boat Malta ar-
rived down the Muskingum Friday and
will do some necessary dredging at the
mouth of the Muskingum.

—J. M. Shawhan has opened up a
new barber shop in the room below
the Corner drugstore on Front street.

—Lee Williams' pacer, Mollie O.,
won the 2:35 race at Woodfield Thurs-
day.

—There occurred quite a bad break-
up at the corner of Front and Putnam
streets last evening. A gentleman
and lady on a tandem, coming off the
bridge met a horse and buggy just
turning off of Front street to go up the
bridge approach. The two turnouts
collided, and the lady narrowly es-
caped being trampled by the horse.
The tandem was badly broken. Aside
from a fright the bicyclists sustained
no injury.

—Untrimmed hats and flowers to be
closed out regardless of cost at Bee
Hive.

An unfailling specific for cholera mor-
bus, cholera infantum, diarrhoea and
all those other dangerous diseases in-
cident to the summer season, is found
in Dr. Fowler's Ext. of Wild Straw-
berry.

Atlanta Wins.

The third and last series of games
between Marietta and Atlanta was
played Friday afternoon and resulted
in a score of 8 to 2 in favor of the lat-
ter. McNichol pitched a good game
for the home team, as did Street for
the visitors. In the sixth inning Wend,
the visiting shortstop, was hit in the
head by a pitched ball and knocked
out, Lewis being substituted.

A Valuable Prescription.

Editor Morison, of Worthington,
Ind., "Sun," writes: "You have a valu-
able prescription in Electric Bitters,
and I can cheerfully recommend it for
Constipation and Sick Headache, and
as a general system tonic it has no
equal." Mrs. Annie Stehle, 2625 Cot-
tage Grove Ave., Chicago, was all run
down, could not eat nor digest food,
had a backache which never left her
and felt tired and weary, but six bot-
tles of Electric Bitters restored her
health and renewed her strength.
Price 50 cents and \$1.00. Get a Bottle

"If taken into the head by the nos-
trils two or three times a week, the
as Electric Oil will positively relieve
the most offensive case of catarrh."
Rev. E. F. Crane, Dunkirk, N. Y.

Many a free man
who is sick would
willingly change
places with a
healthy convict. A
man might as well
be shut out of en-
joyment one way
as another. If he
is shut up in a cell,
he cannot engage
in active pleasures.
He cannot see the
beauties of nature
and art, but he can
imagine them, and
so get some benefit
from them. A
man who is sick
see them as they exist. He cannot look on
anything with appreciative eyes. His phy-
sical condition warps his vision and his men-
tality. He cannot enjoy anything, no matter
how enjoyable it may be in the abstract. A
man with a foul taste in his mouth, with a
bilious headache, and with poisonous refuse
matter circulating all through his body can-
not enjoy anything. He honestly believes
that the world is all wrong, and that it is a
mighty poor place to be in. He is blue,
despondent, cynical. Life isn't worth liv-
ing to him. Such a simple thing causes
this condition that it is absurd and ridicu-
lous to think of a sensible man remaining
in it. Symptoms like these come from con-
stipation. It is the most prevalent of all
causes of sickness. It makes a man worth-
less for work or pleasure. It is a stubborn
trouble when you do not treat it properly,
and a simple one when you do. It is cured
by Dr. Pierce's Pleasant Pellets. They were
made for this purpose, and no other pre-
paration ever did. An unscrupulous druggist
may try to sell you something else. Look
out! It is your health that is at stake.
It is your health against an extra profit on the
thing he says is "just as good." Doctor
Pierce's Pleasant Pellets—don't forget—
don't take anything else.
